Here come the totally awesome foursome –
the Teenage Mutant Ninja Turtles!

They're led by their ninja master, Splinter.

Now fill in their names — that's four turtles and one master — in this crossword puzzle. Make sure each name is in its correct place! (*Hint: Start with the longest word first.*)

Answers to puzzles begin on page 91.

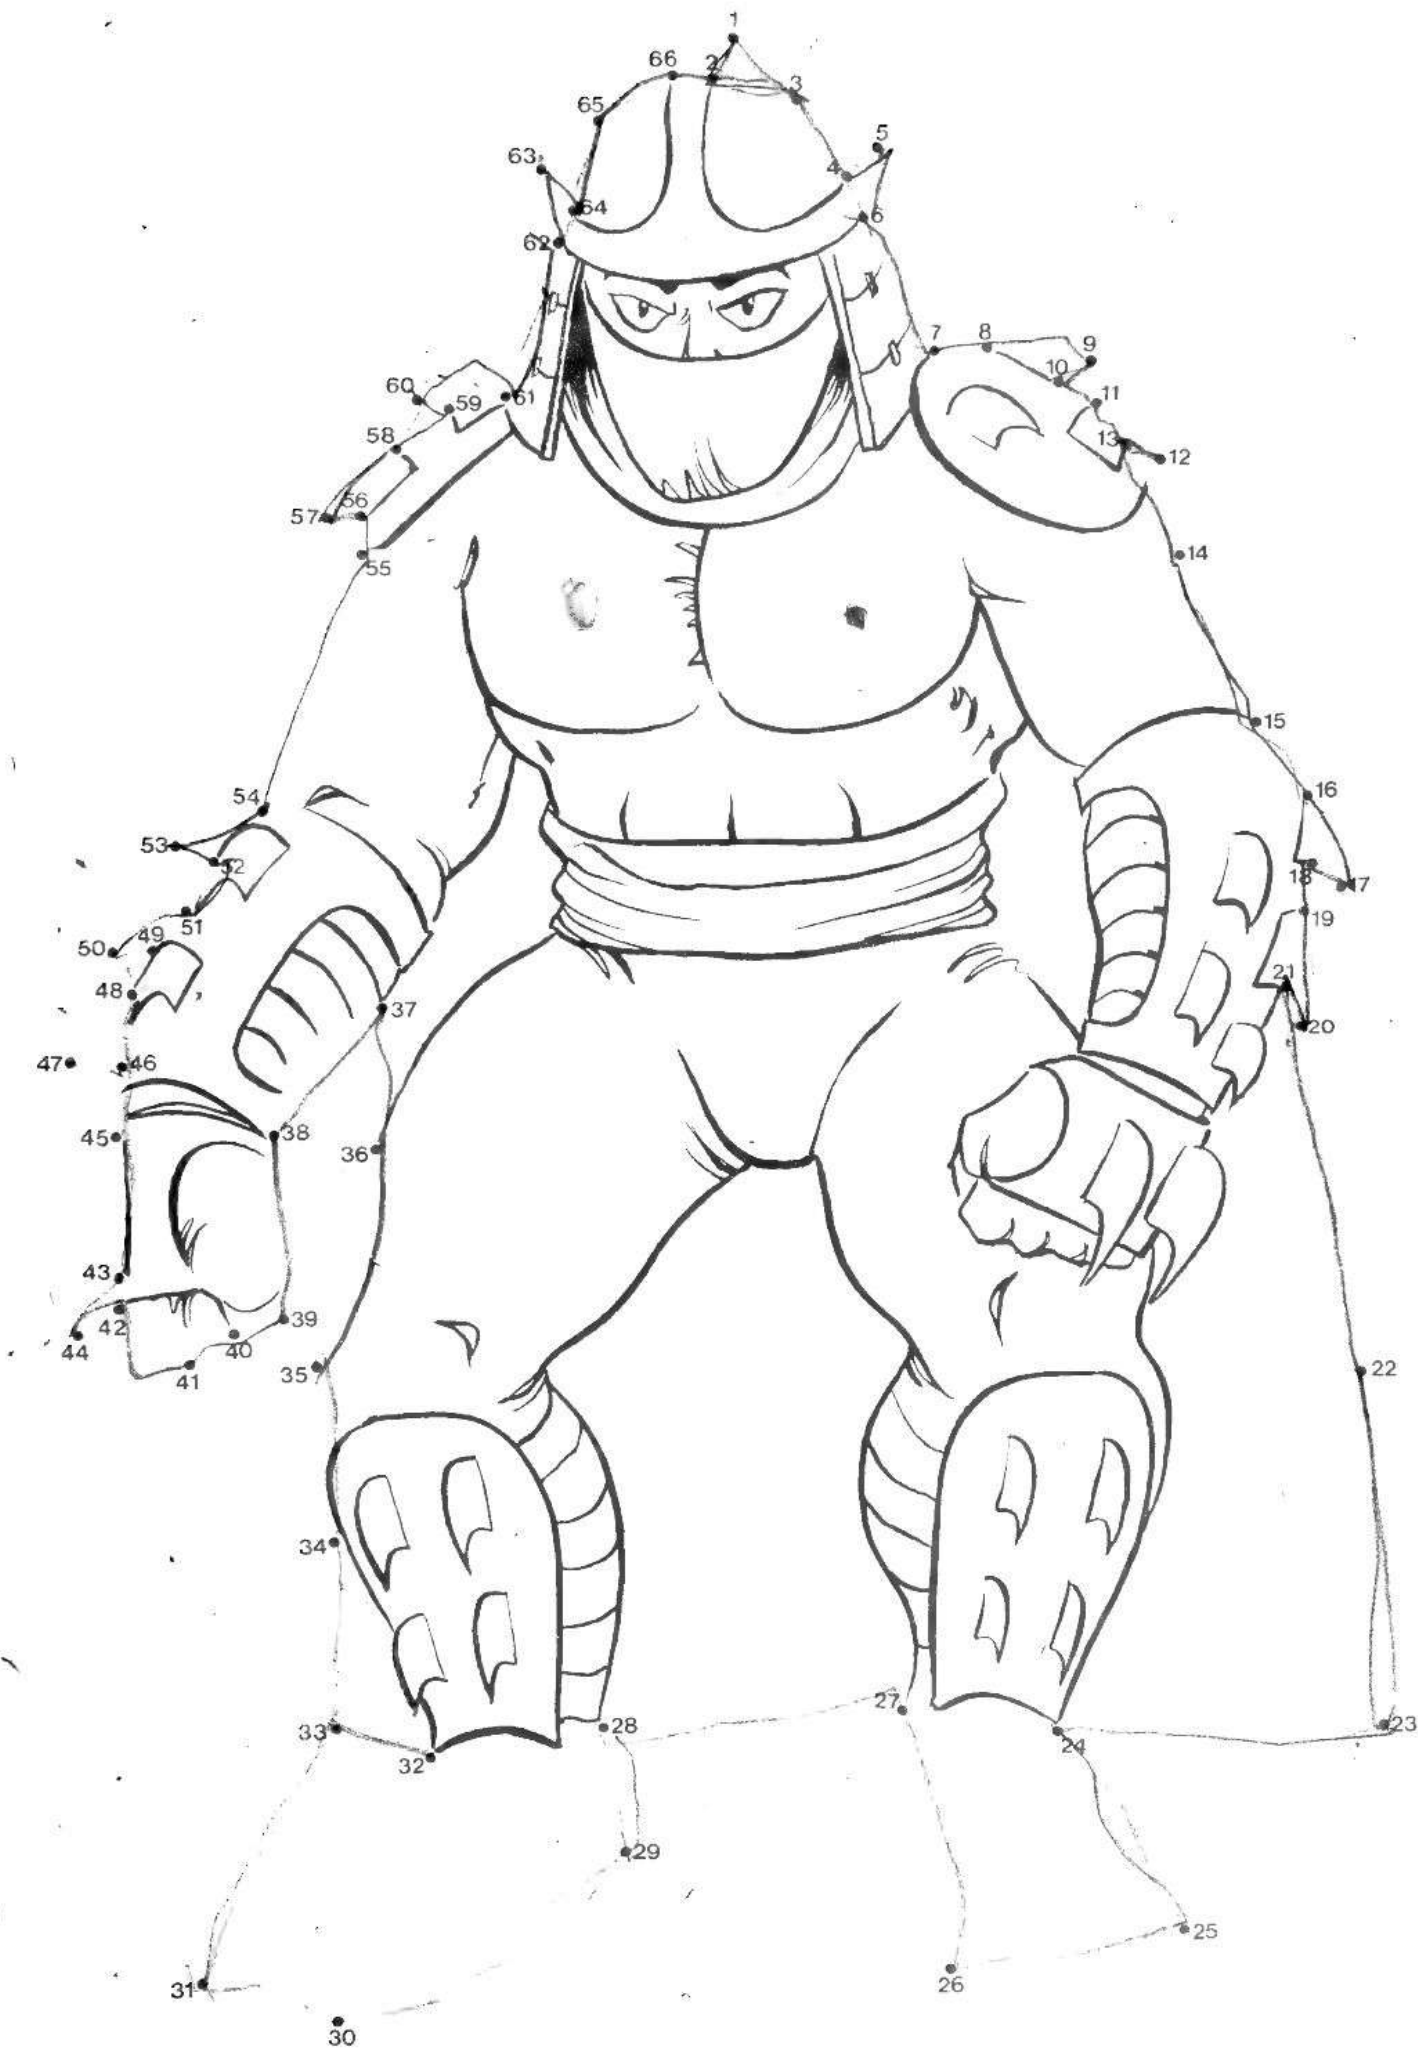

Can you spot the four turtles here?
Of course, they're in disguise!

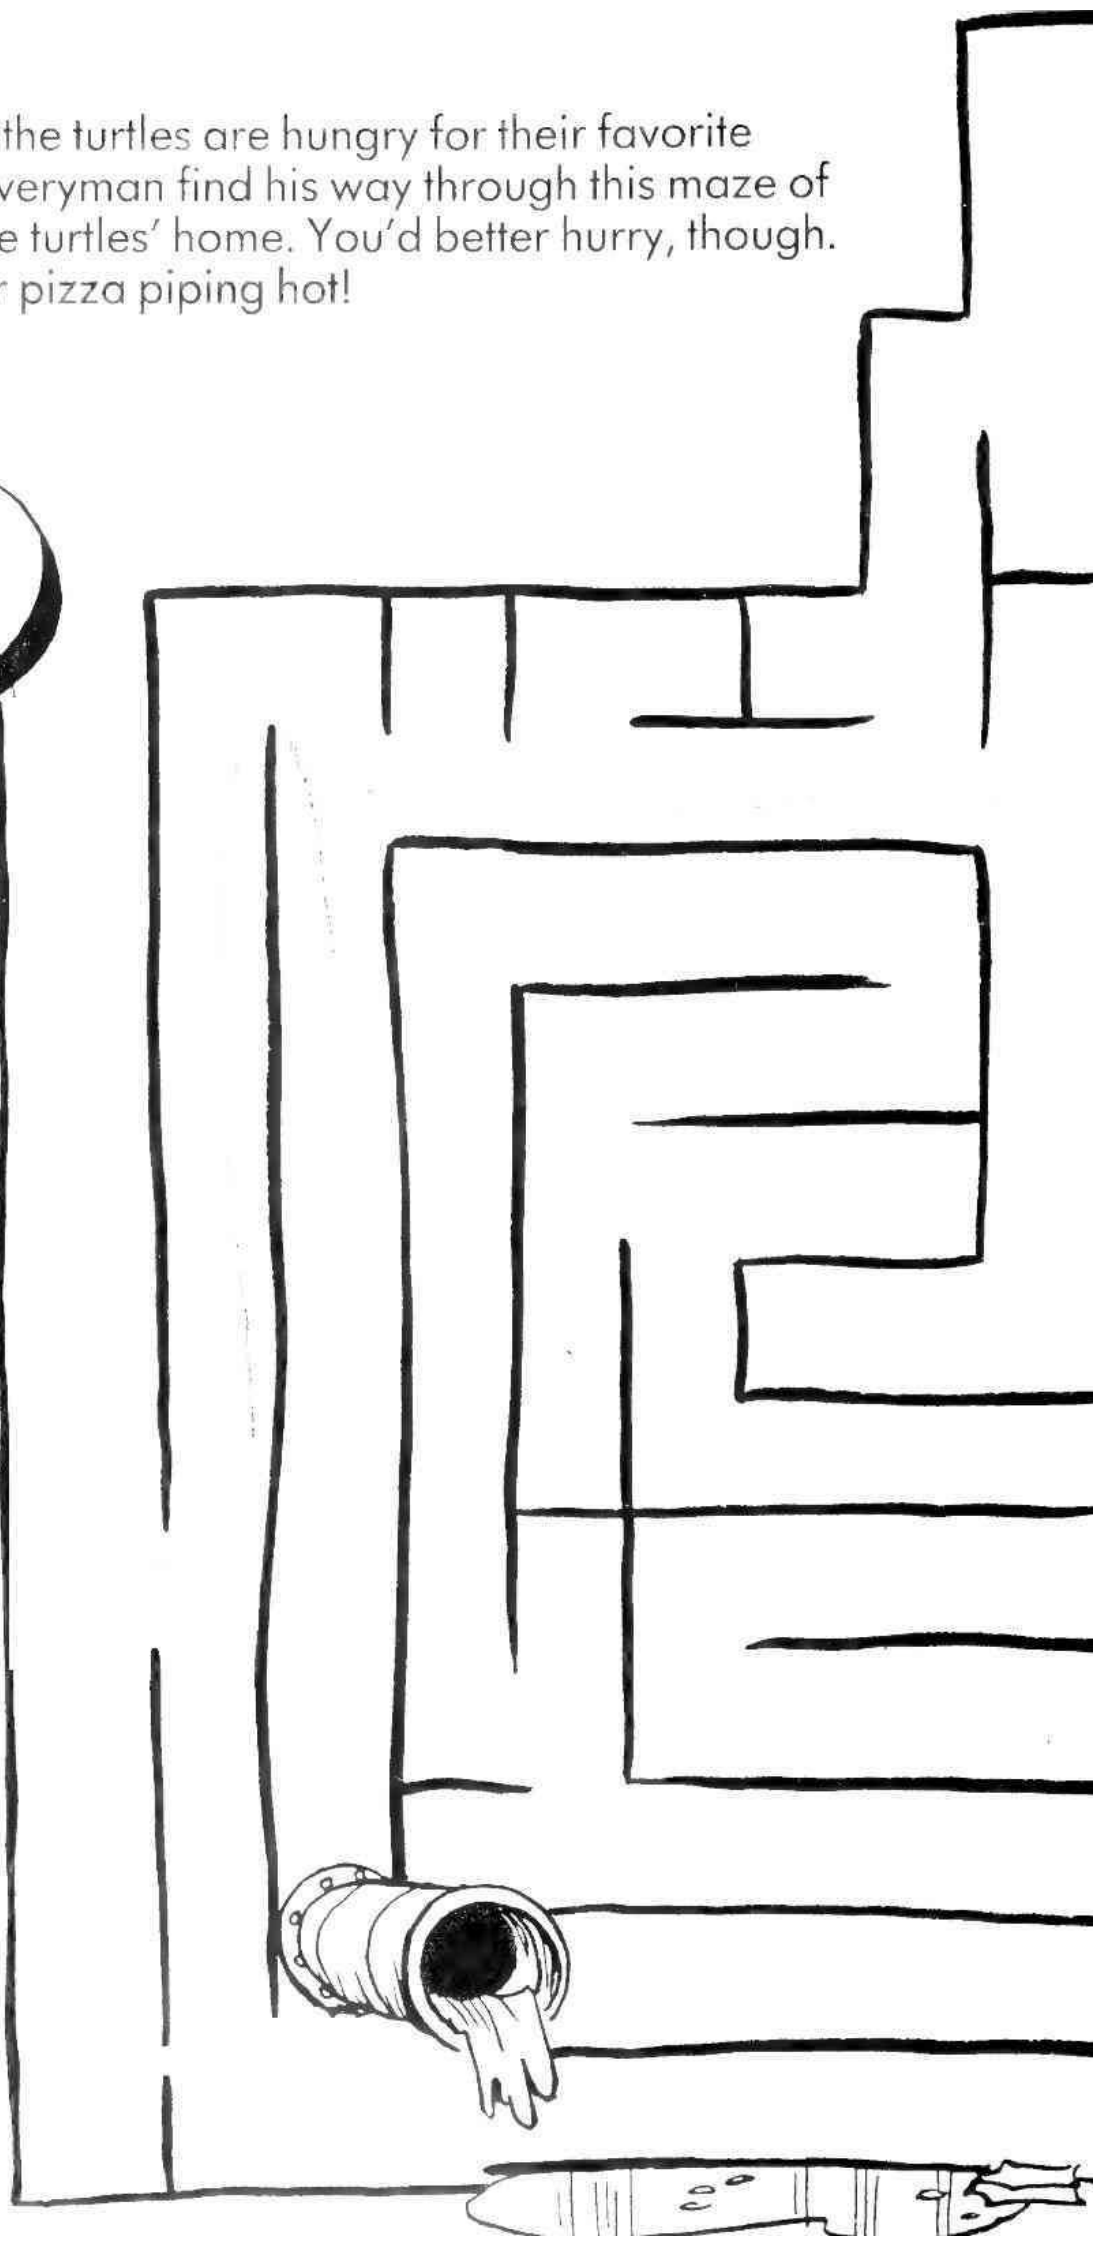

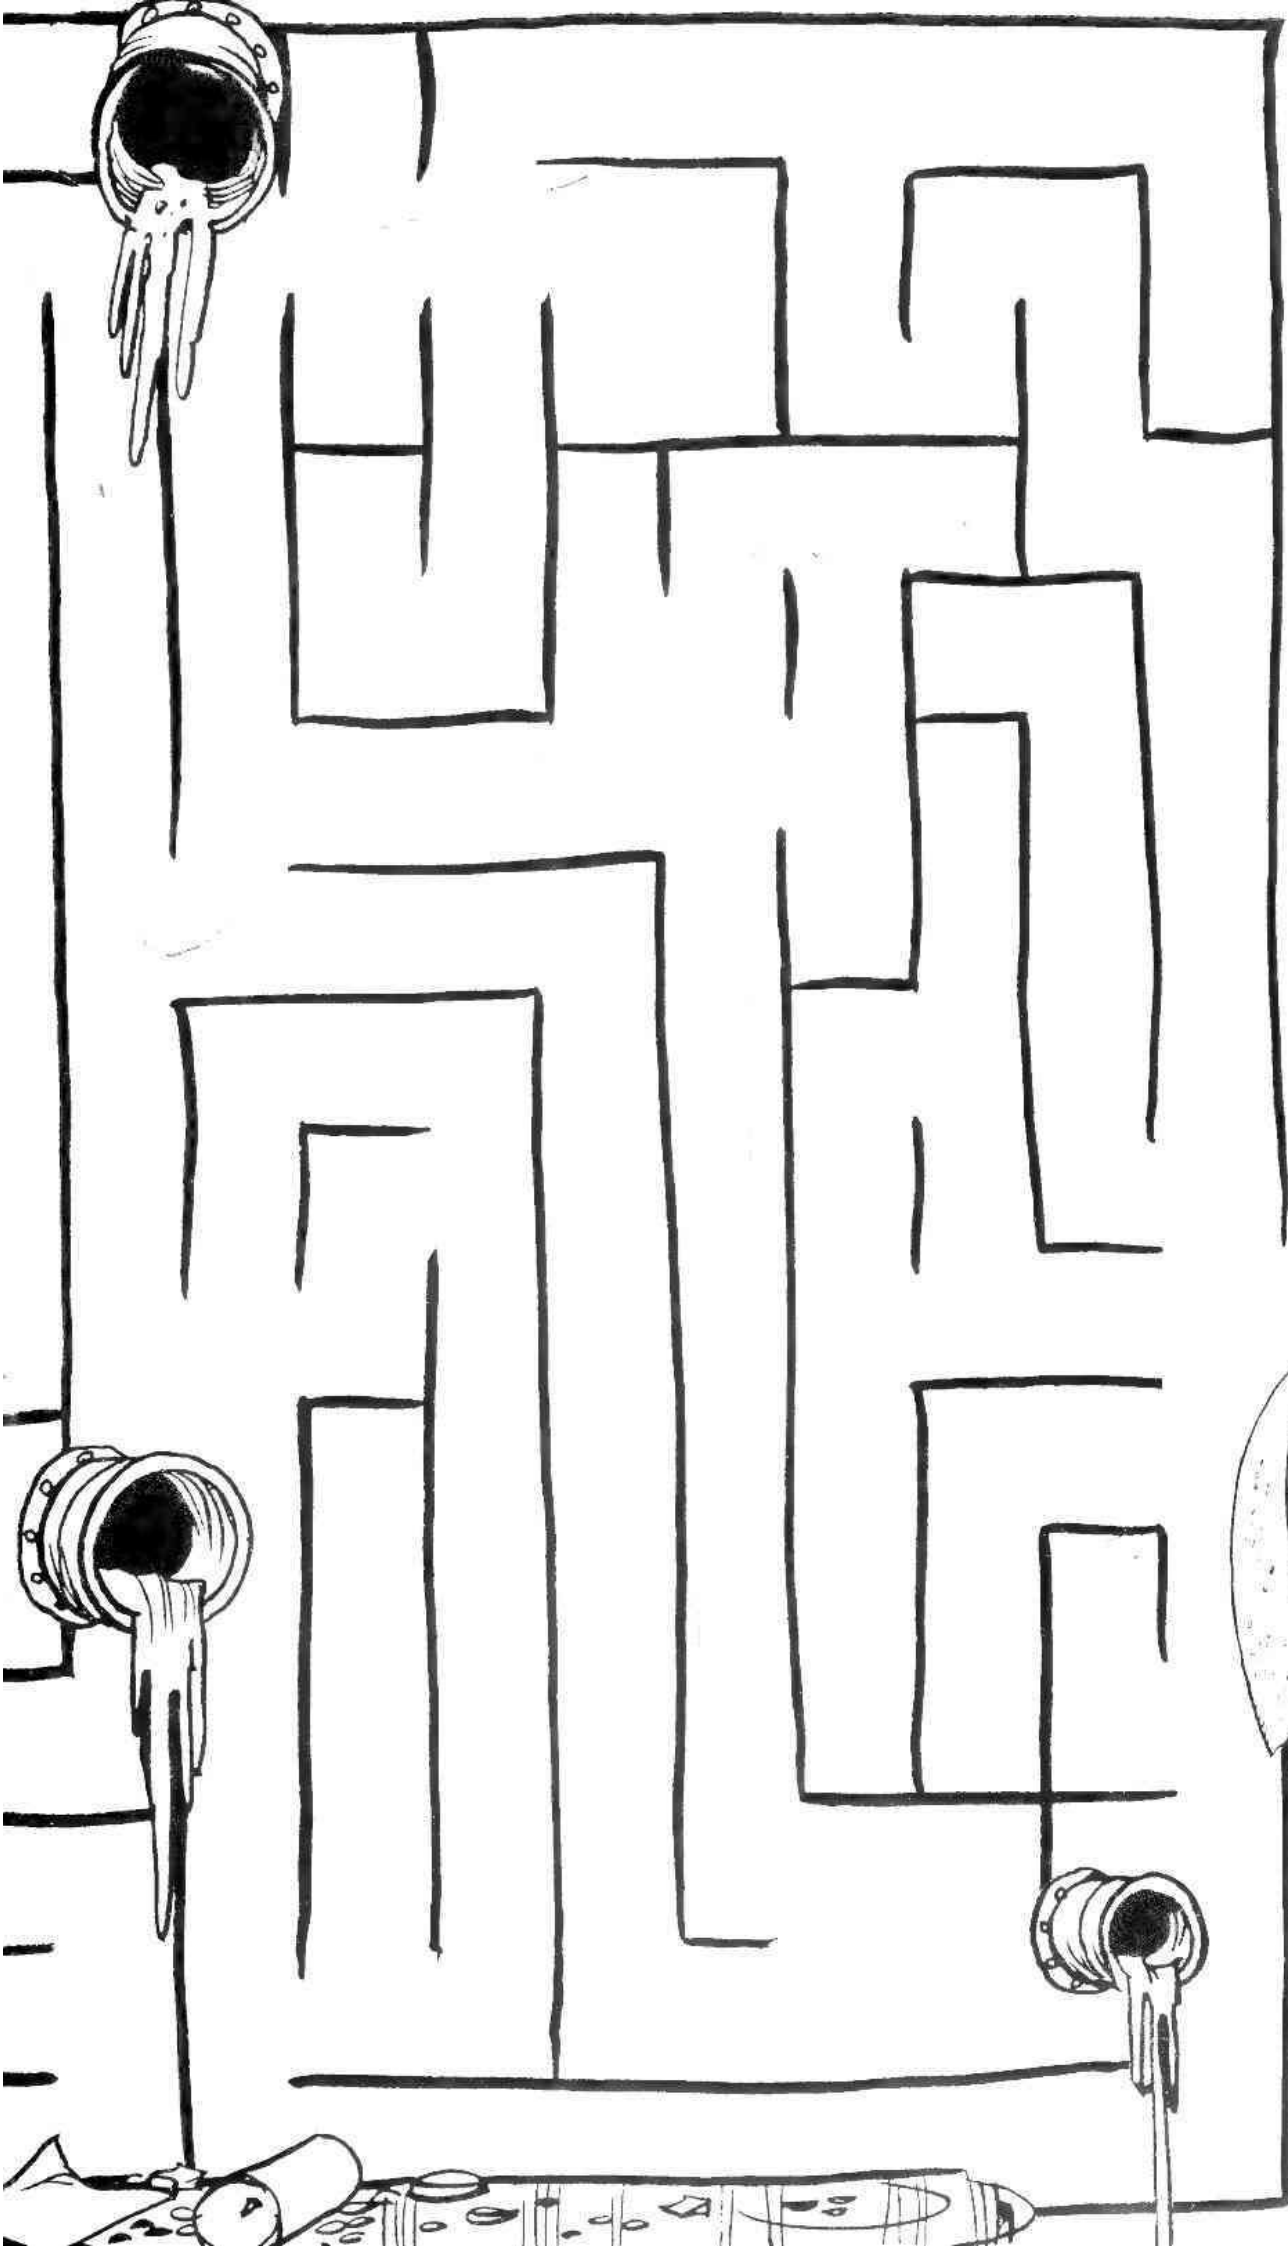

Watch out, turtles! Two evil dudes are hot on your trail.
Connect the dots to find out who they are.

It's pizza time, and the turtles are hungry for their favorite food. Help the deliveryman find his way through this maze of sewers right into the turtles' home. You'd better hurry, though. The turtles like their pizza piping hot!

FINISH

The turtles' friend April is a crackerjack reporter. She needs each of the items below to do her job. Find each one in the word search. They're hidden left to right, right to left, and up and down. One answer has already been circled.

Make and wear these turtle buttons!

1. Color the three shapes below — what else? — green!
Then cut them out with a grownup's help.
2. Now take a small piece of tape and roll it into a loop,
sticky side out. Attach it to the back of one button.
Do the same for the other two — and wear them on your shirts,
sweaters, and jackets!

What strange planet does Krang call home?
To find out, write the first letter of each object pictured
in the space above it.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There is no handwriting or other markings on the paper.

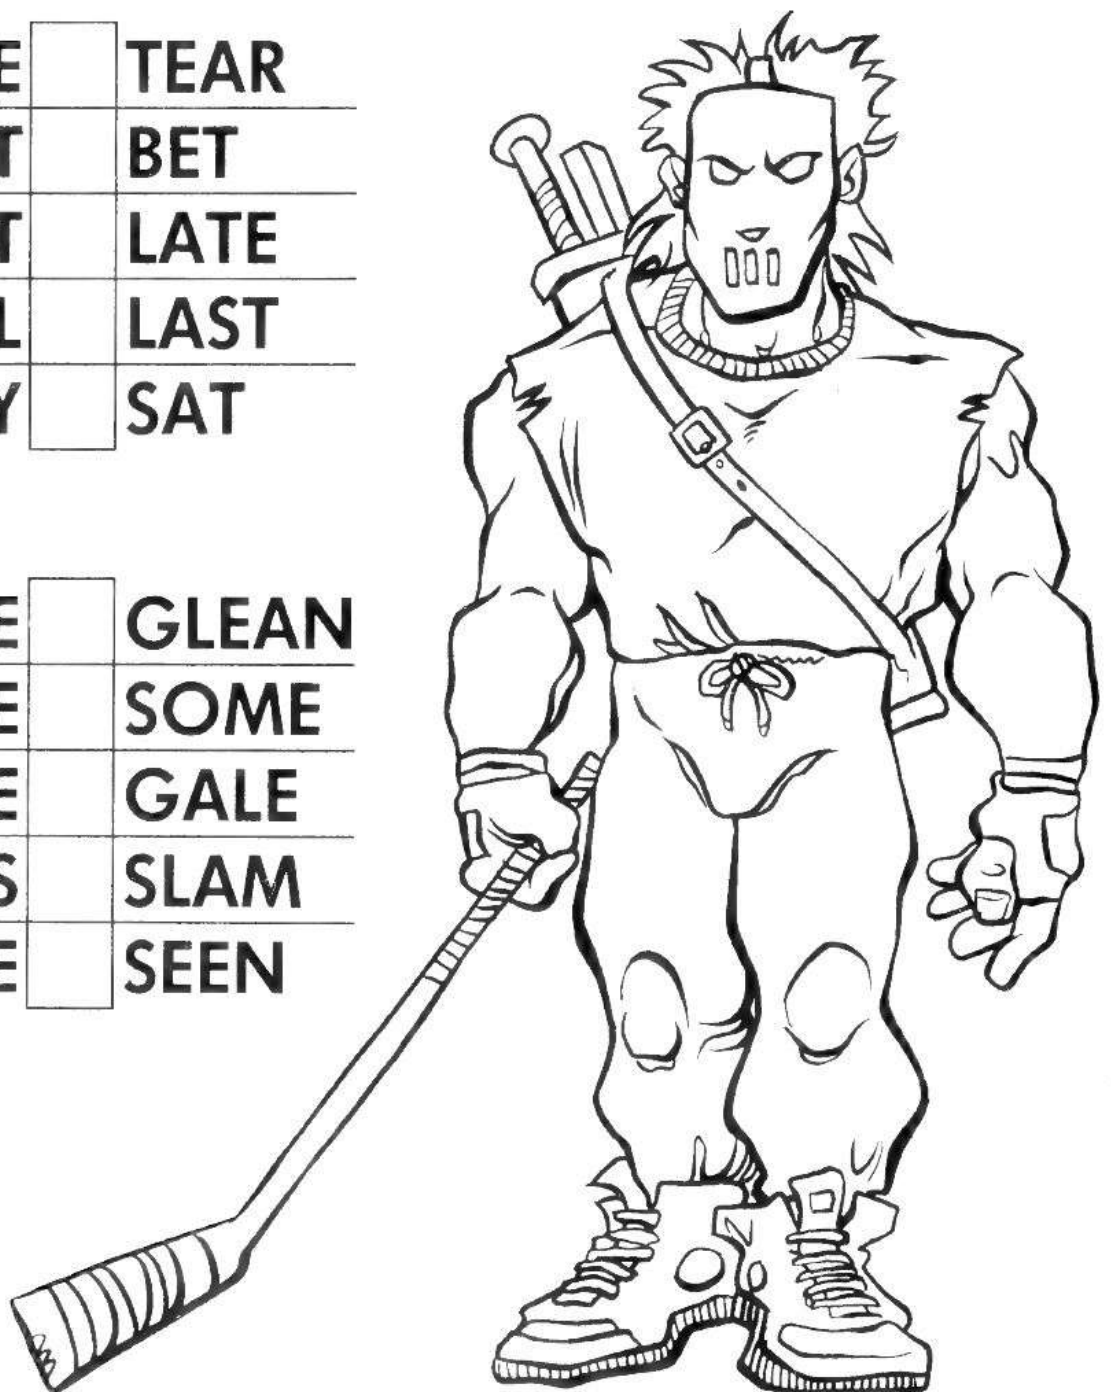

He's teamed up with the turtles to fight crime.
 He wields a hockey stick.
 He wears a hockey mask.
 Who is he?
 Solve this puzzle and find out.

On each line the letters in both words are the same
 except for one extra. Write that letter in the space
 between the columns. Then read down.

CRATE		TEAR
BEAT		BET
LEAST		LATE
STEAL		LAST
STAY		SAT

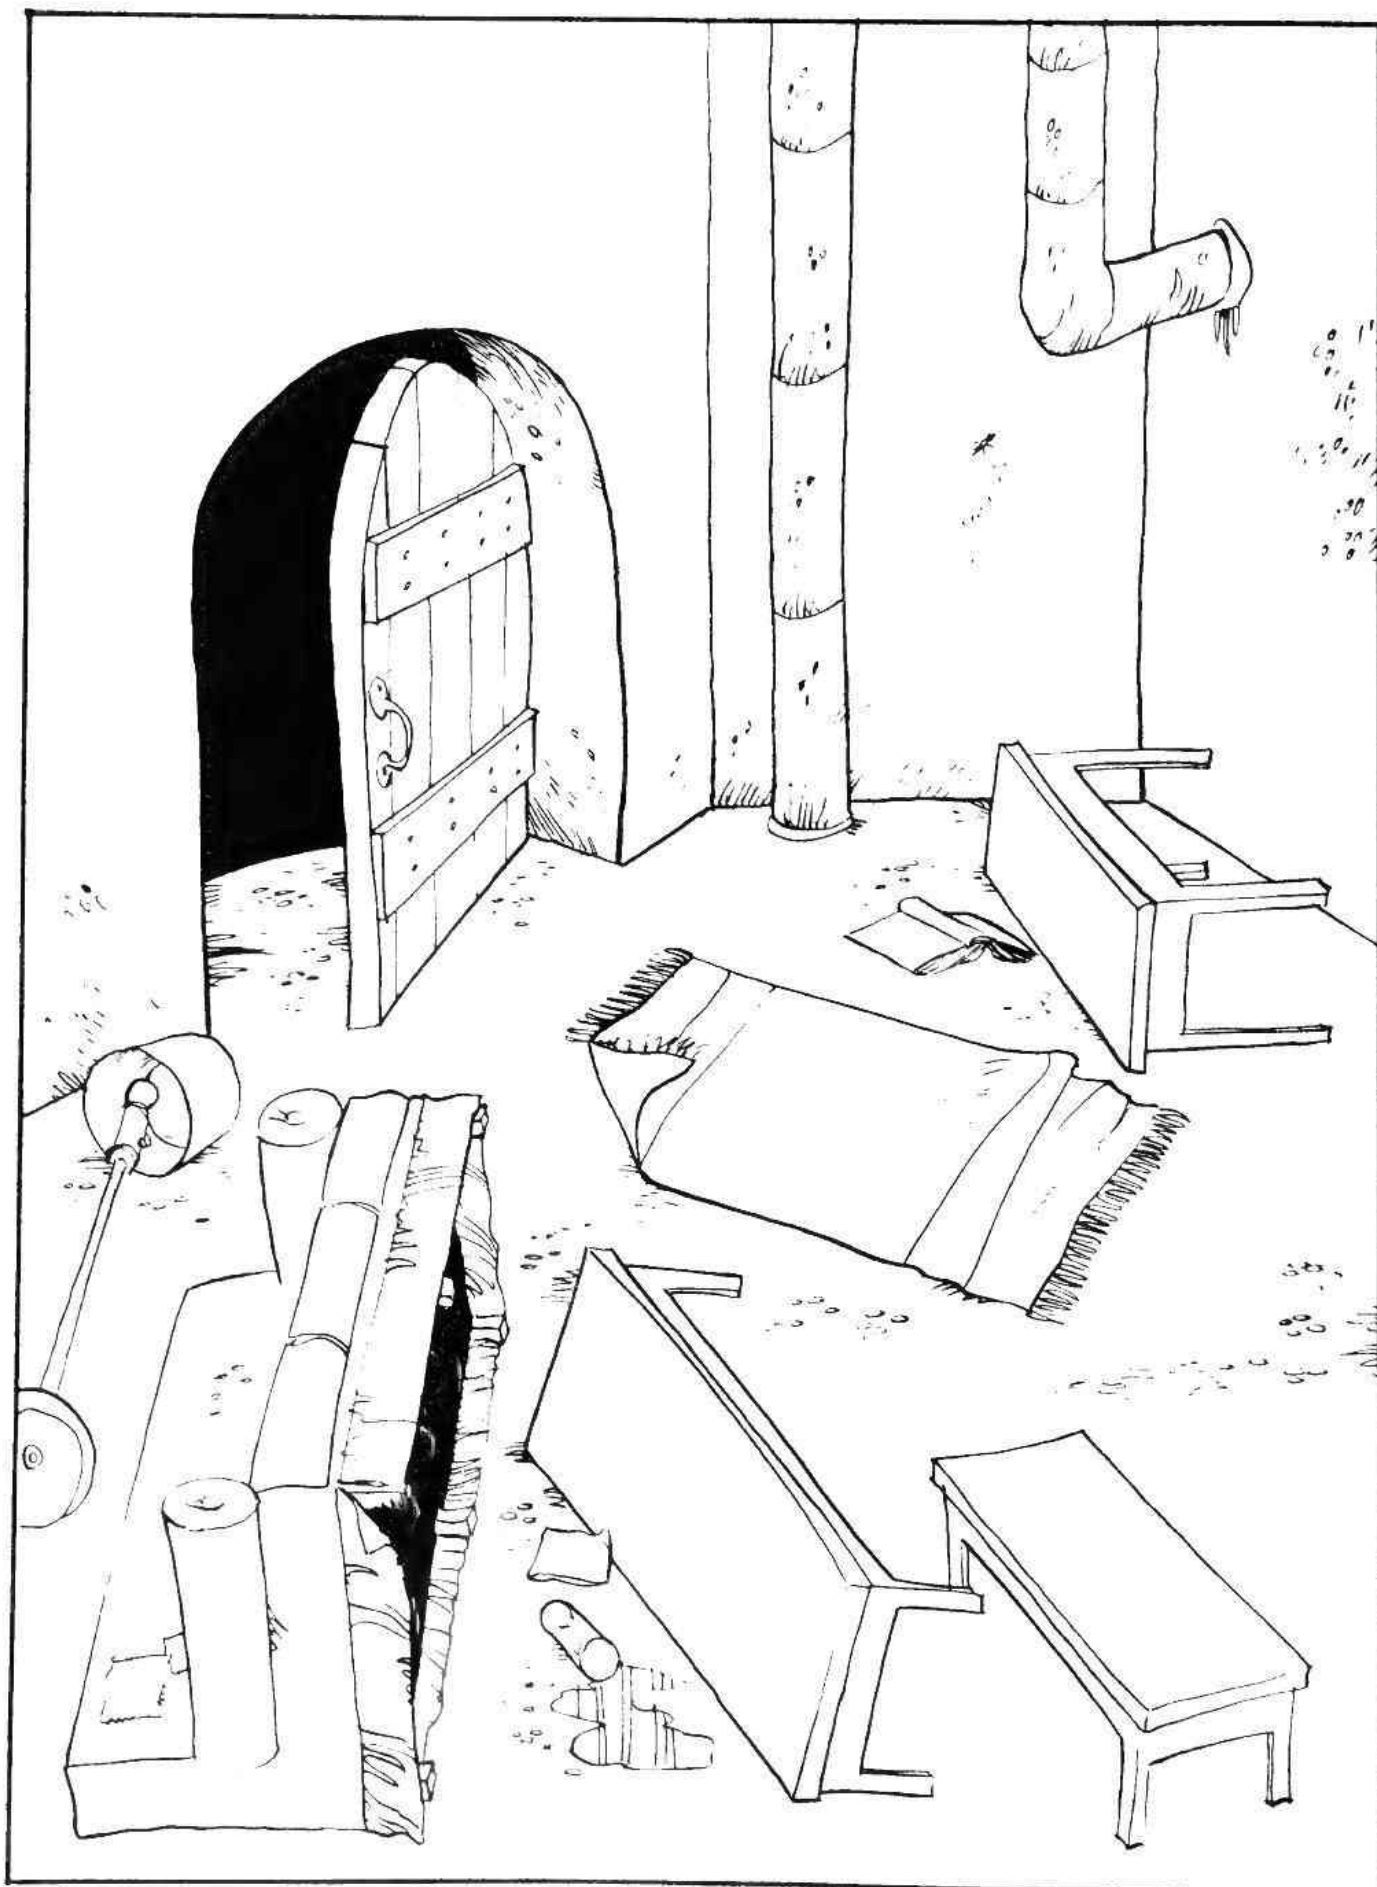

JANGLE		GLEAN
MOOSE		SOME
ANGLE		GALE
MEALS		SLAM
SENSE		SEEN

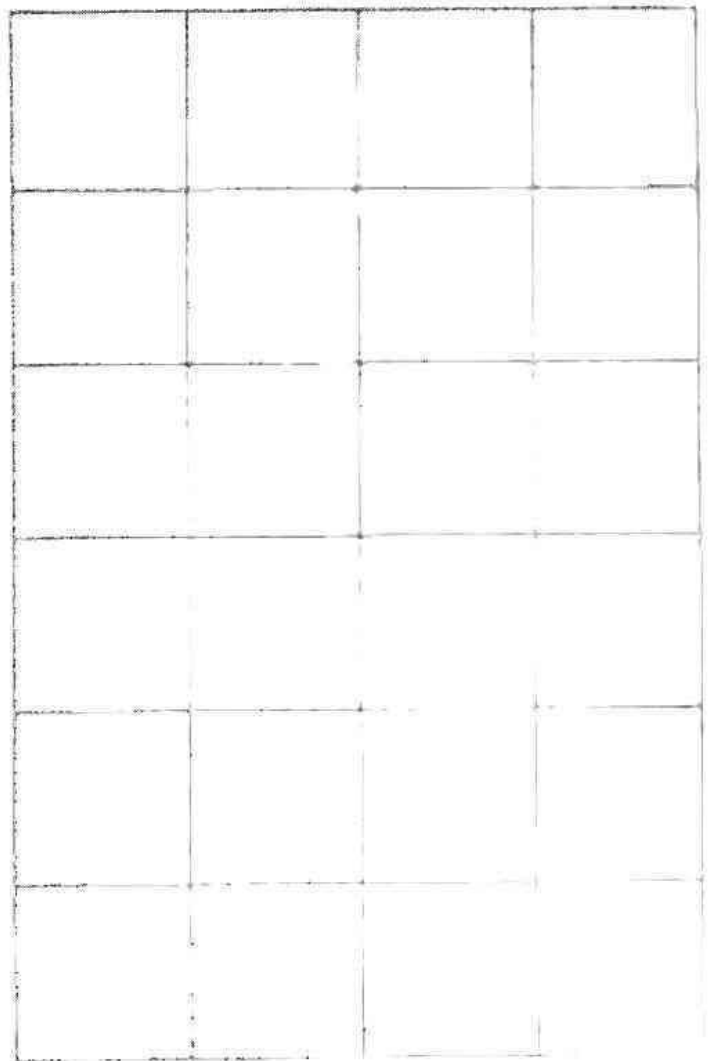

Oh, no! Shredder is about to ransack the turtles' home. Study this picture carefully, then turn the page.

Can you figure out what's been taken? (This is a memory test – don't turn back for a peek!)

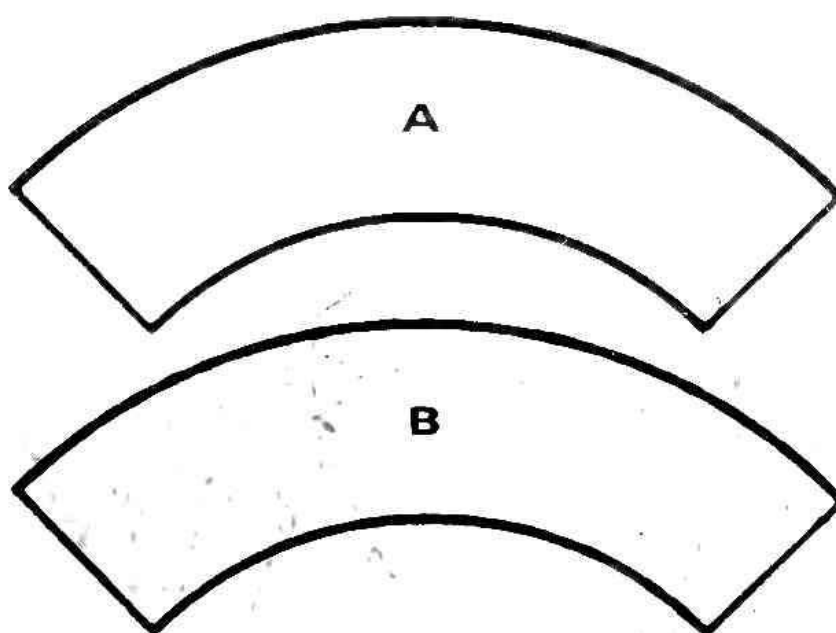

You can draw the ultimate ninja master. Just copy the drawing below onto the empty grid, square by square. When you're finished, you'll have a picture of Splinter to color.

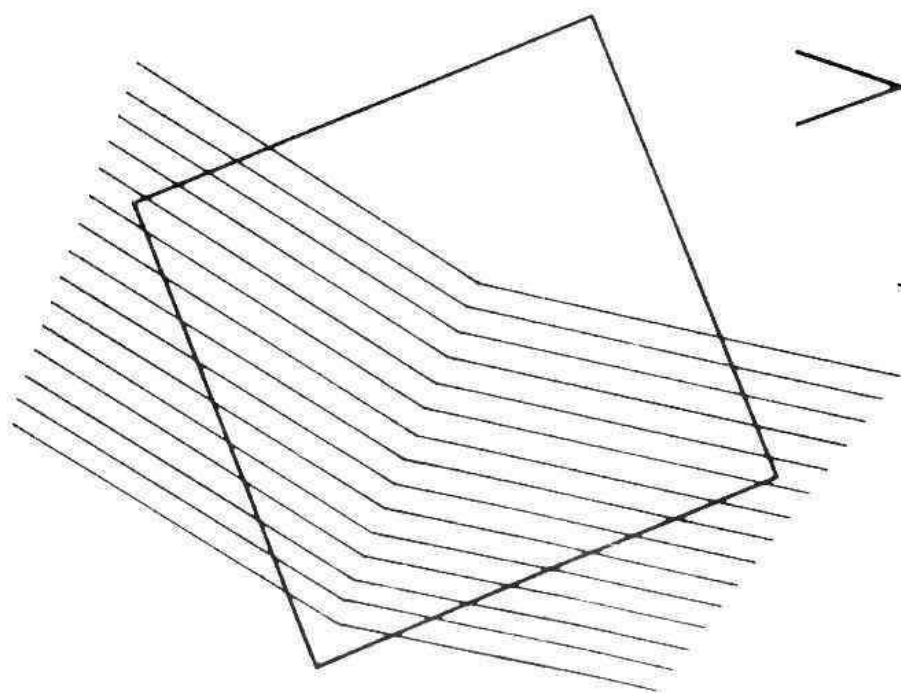

"To know the ancient art of ninja," says Splinter, "you must see things for what they are – not for what they seem to be."

Can you be a ninja master?
Answer these questions and find out!

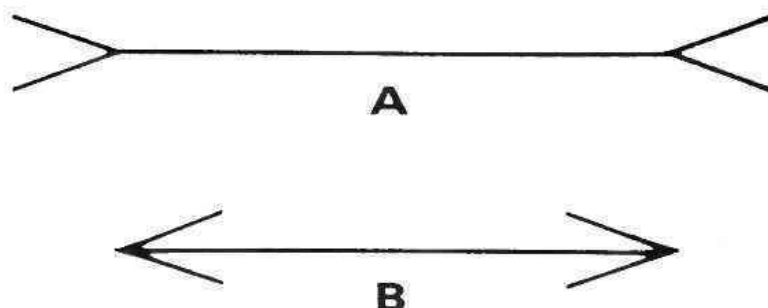

1. Which shape is longer – A or B?

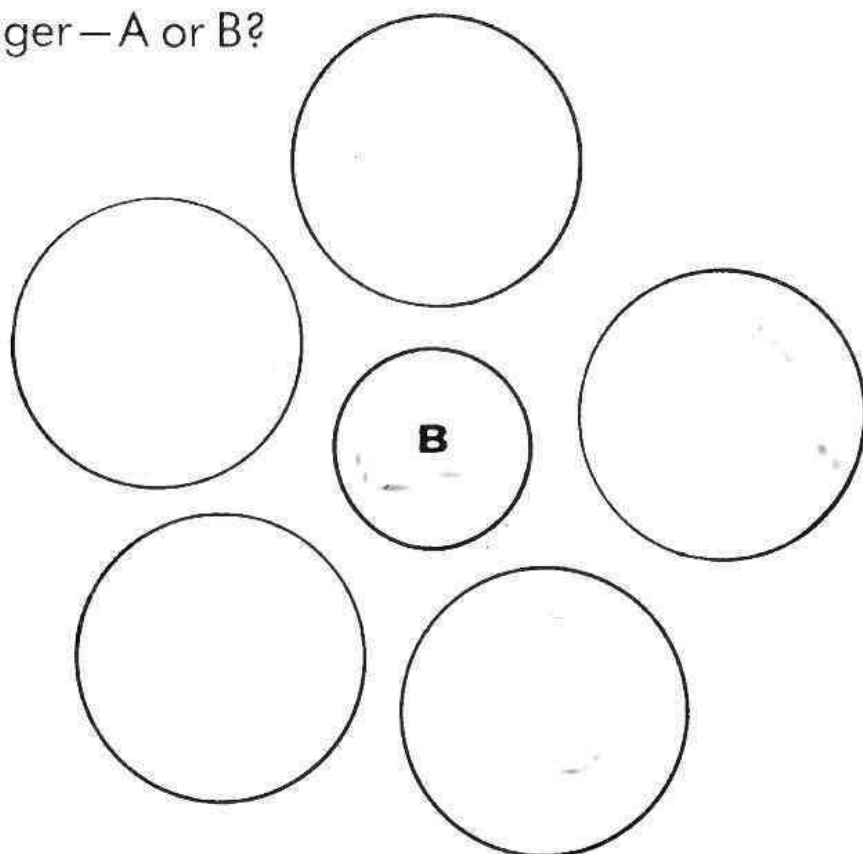

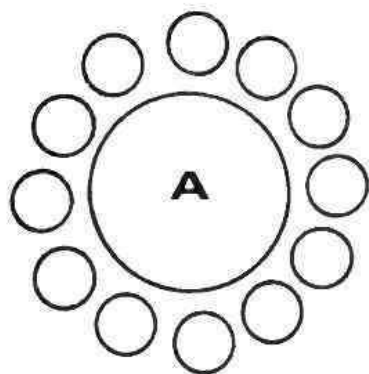

2. Is this a perfect square?

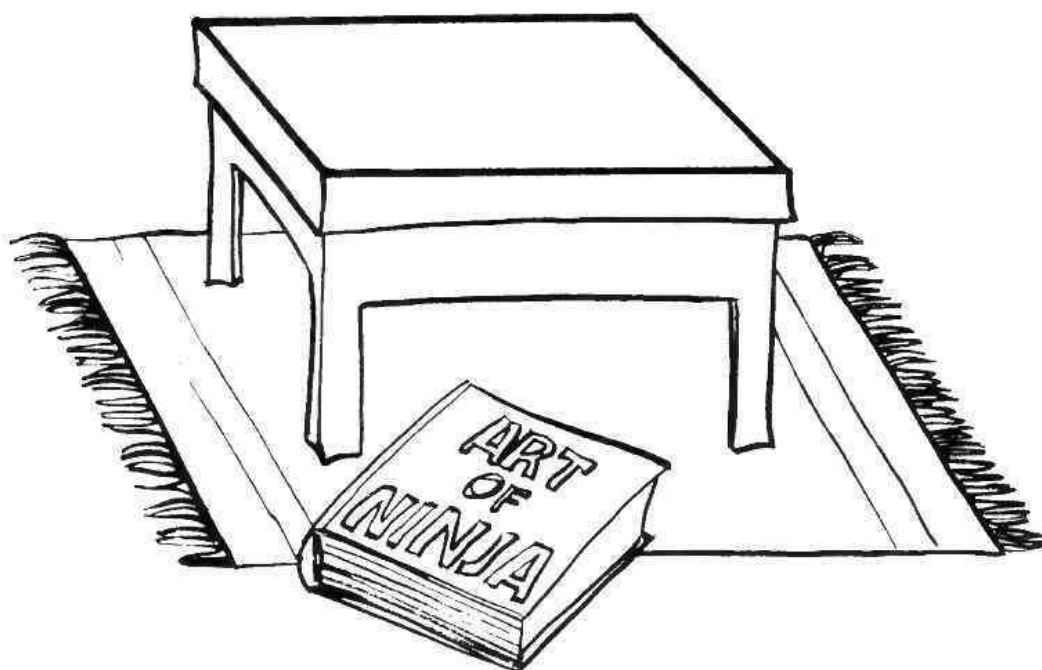

3. Which horizontal line is longer – A or B?

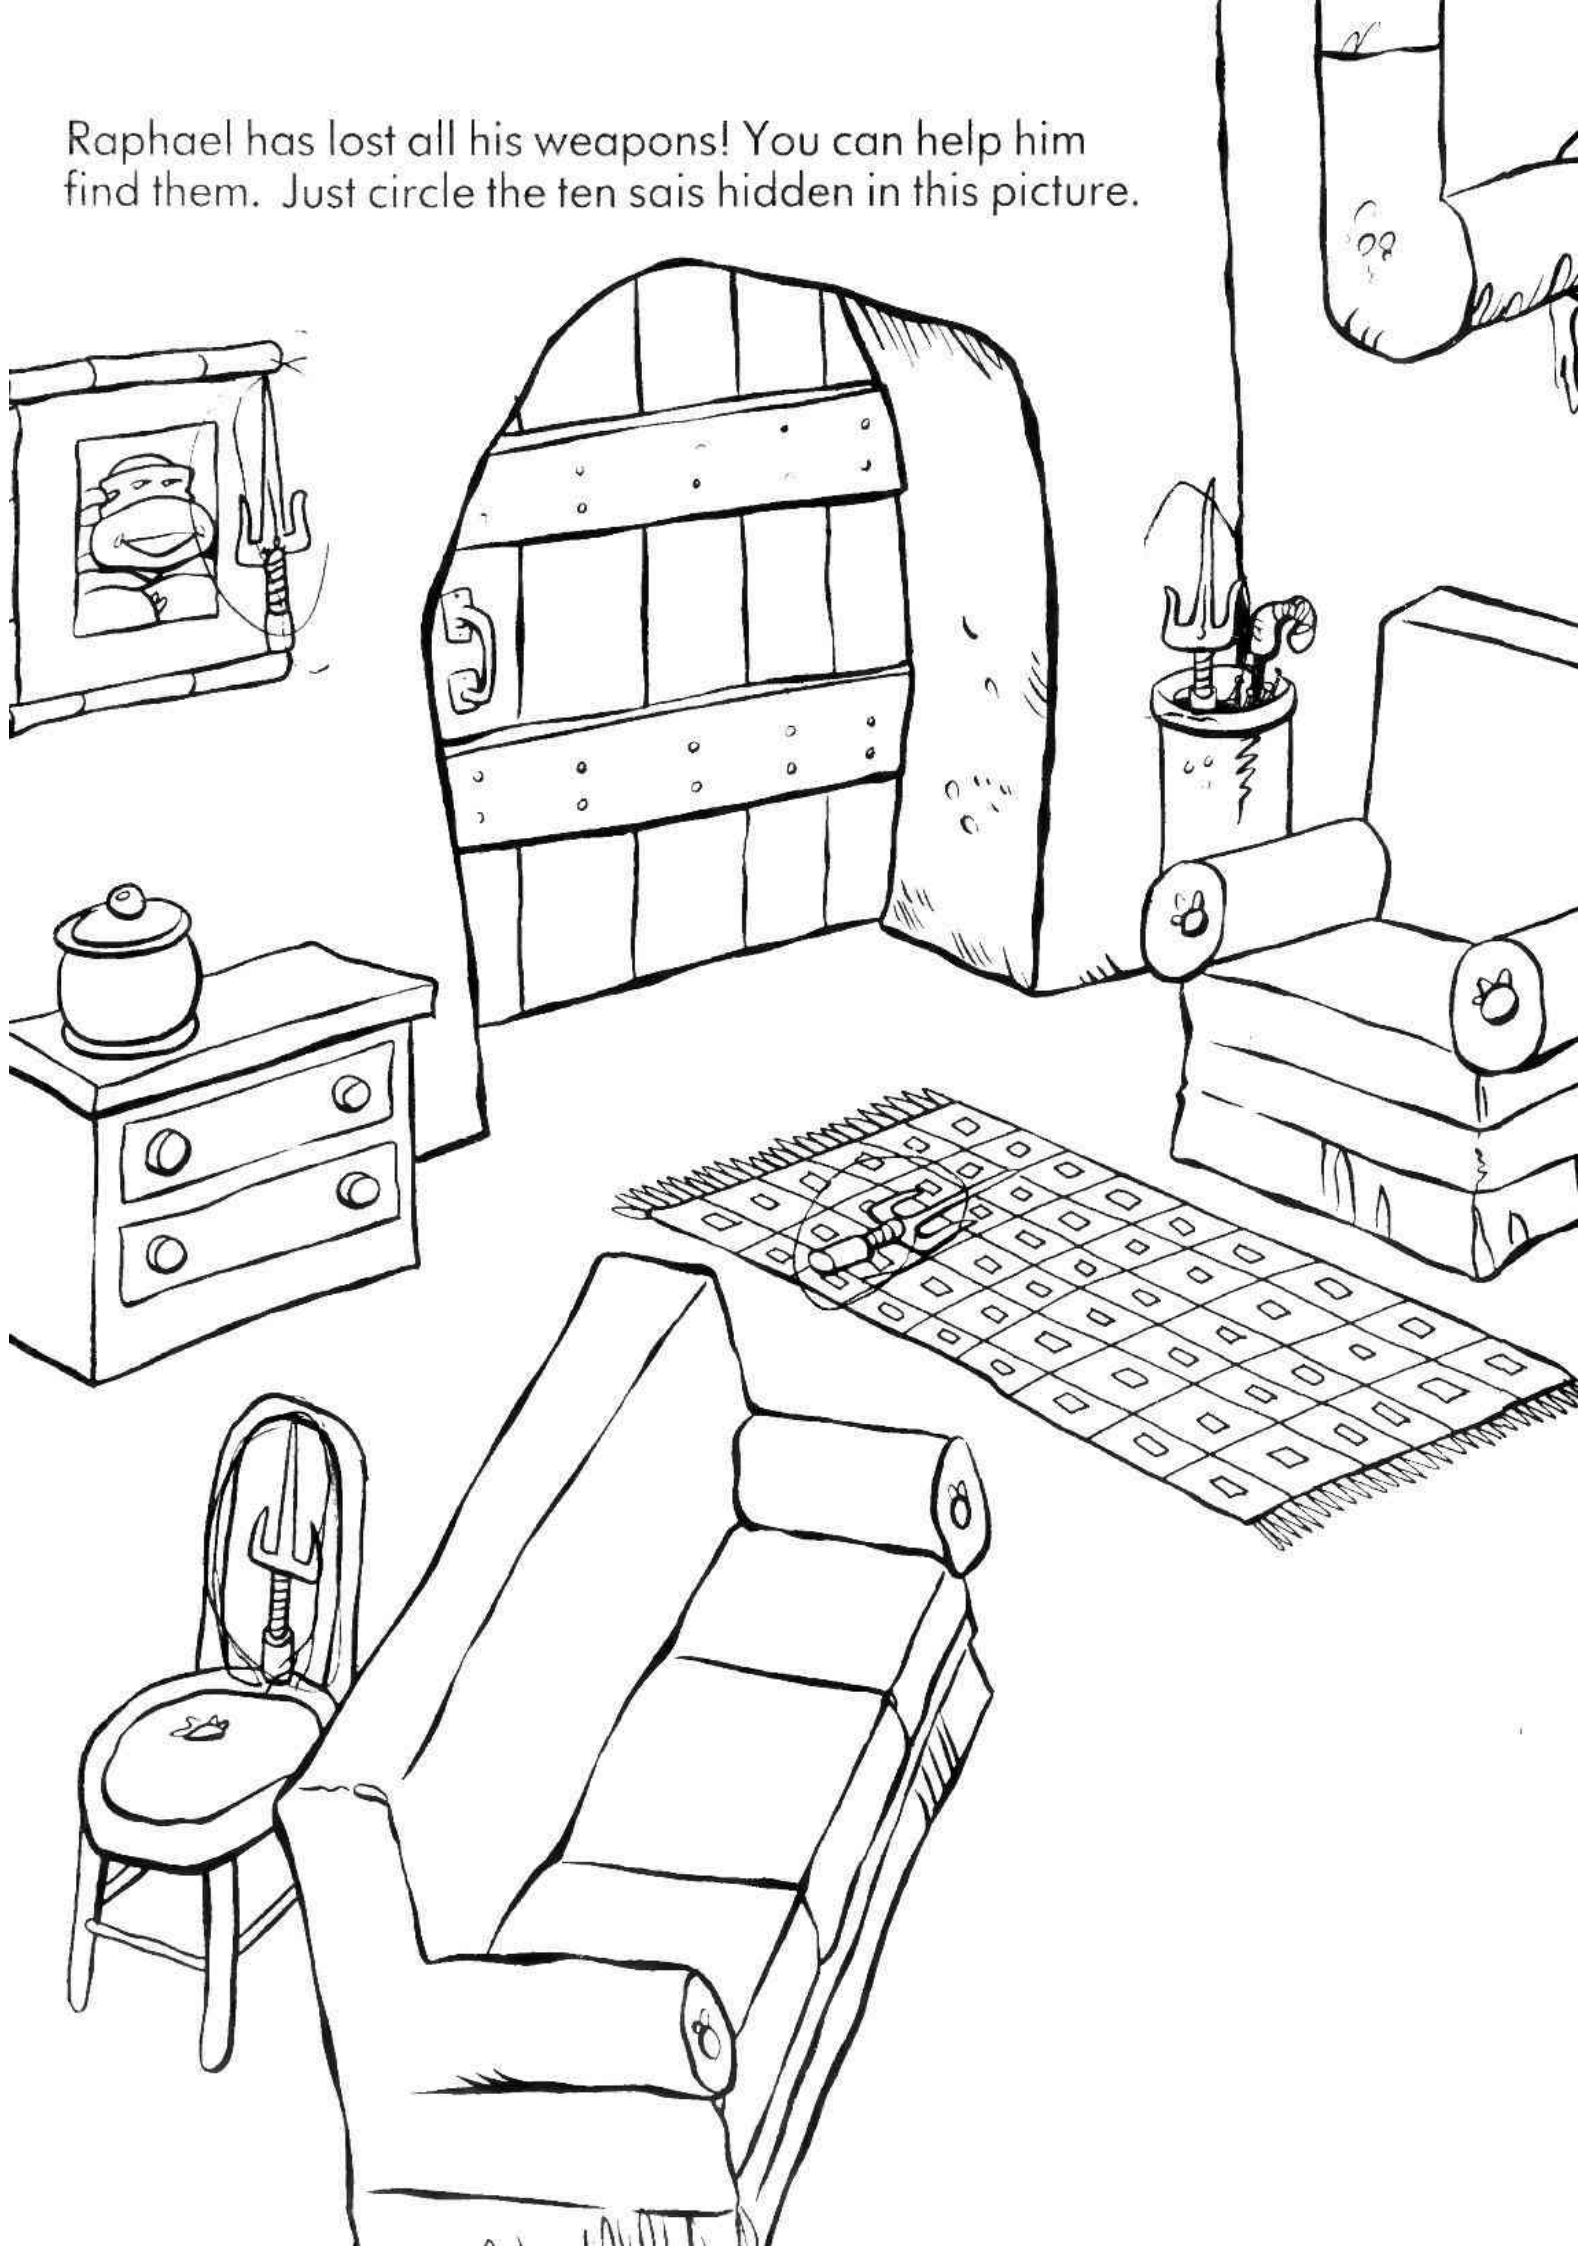

4. Which circle is bigger – A or B?

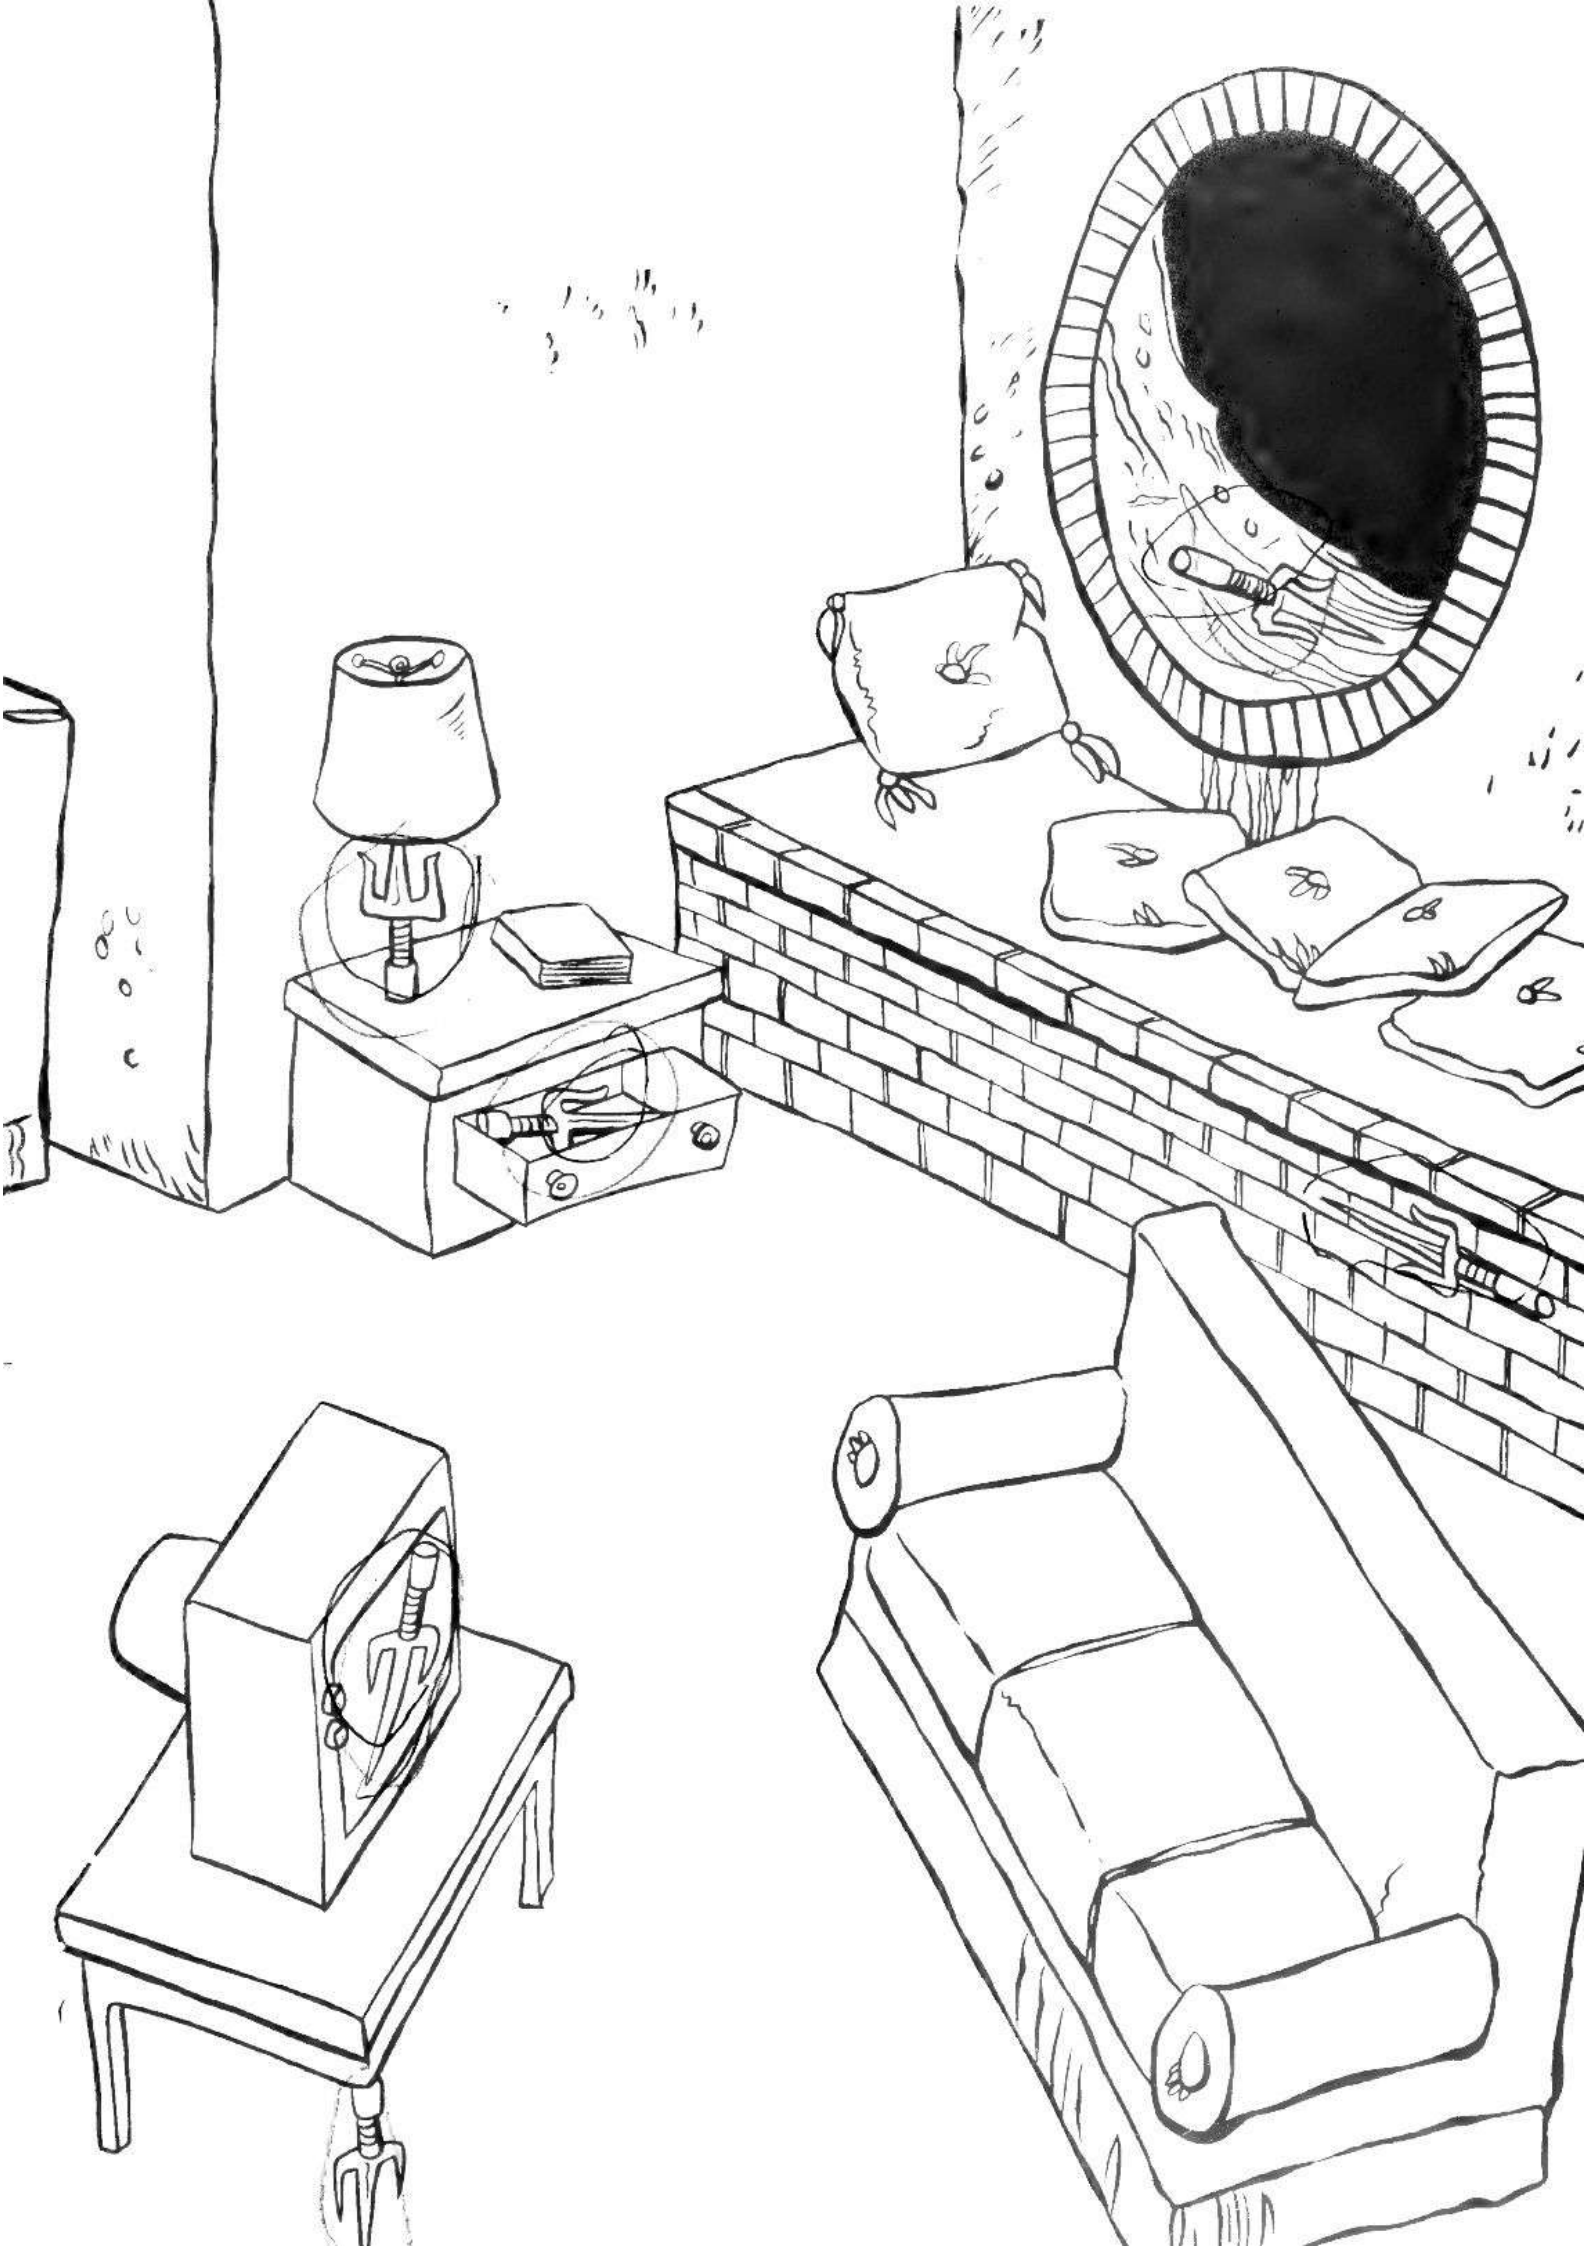

5. Do you think you can fit a penny on this tabletop without touching any lines?

Raphael has lost all his weapons! You can help him find them. Just circle the ten sais hidden in this picture.

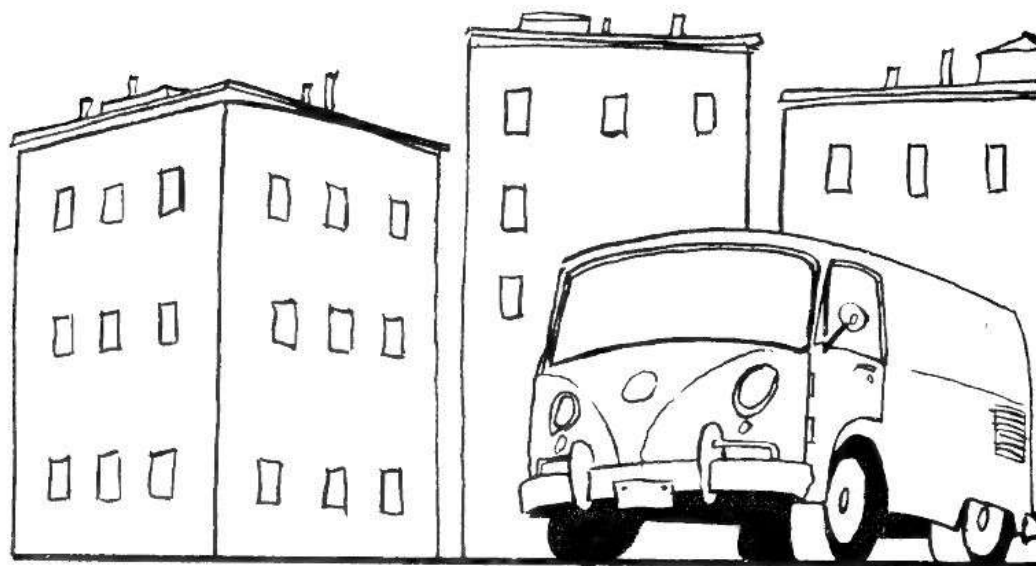

Someone's paying a dastardly visit from Dimension X.
Connect the dots to find out who!

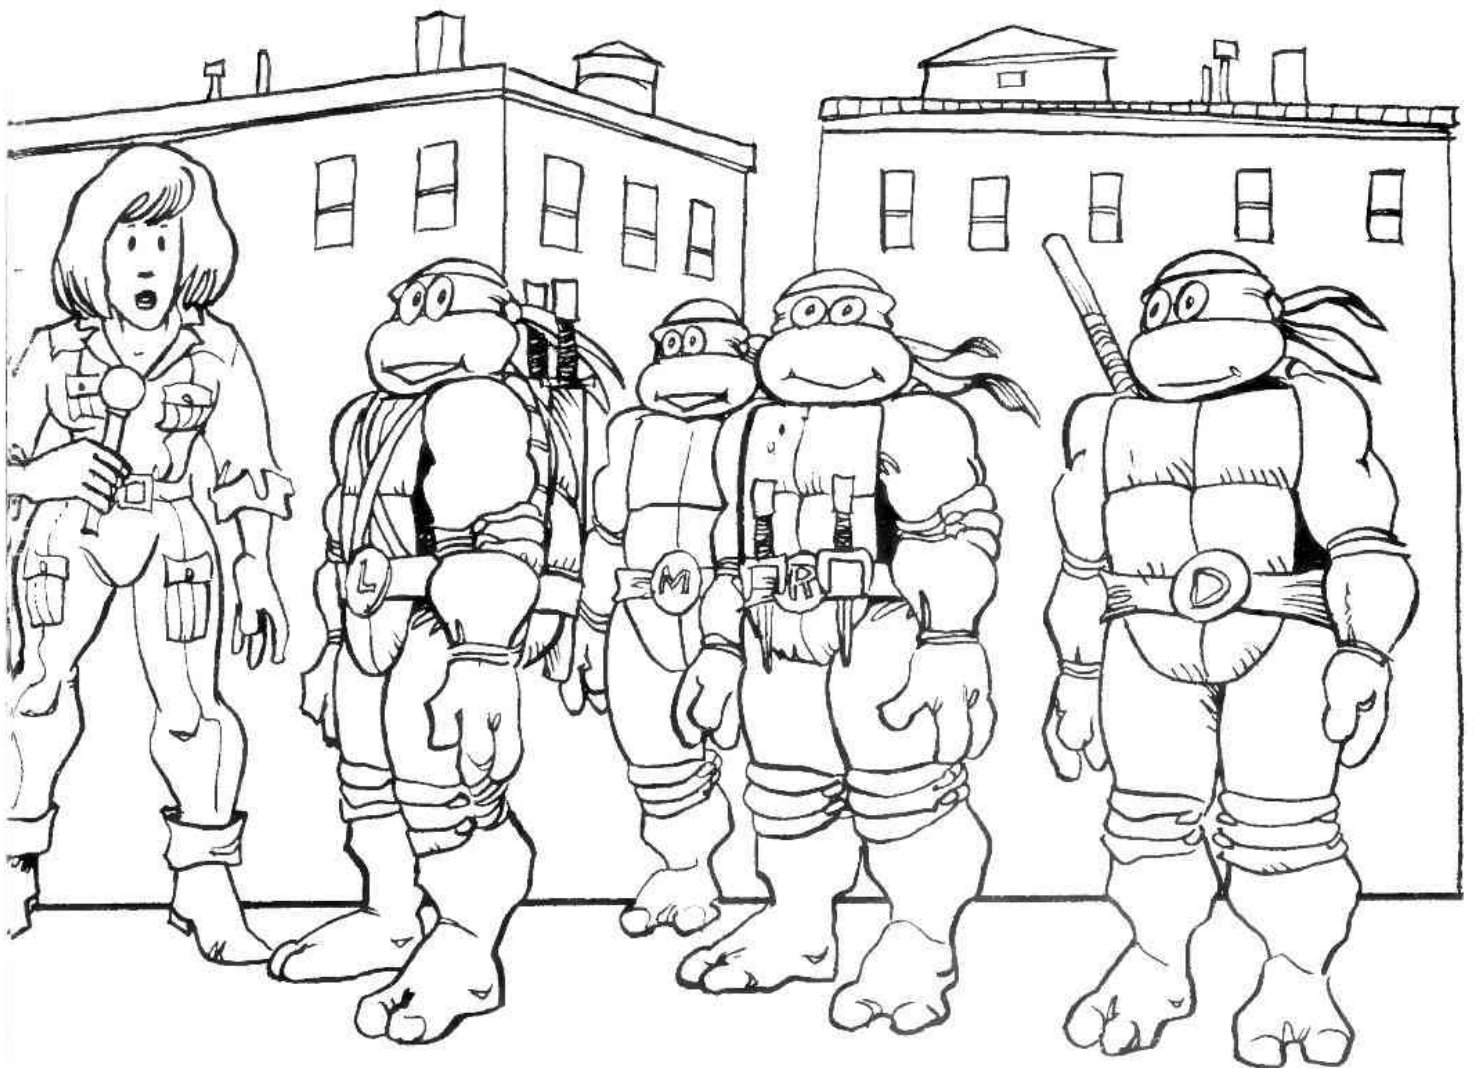

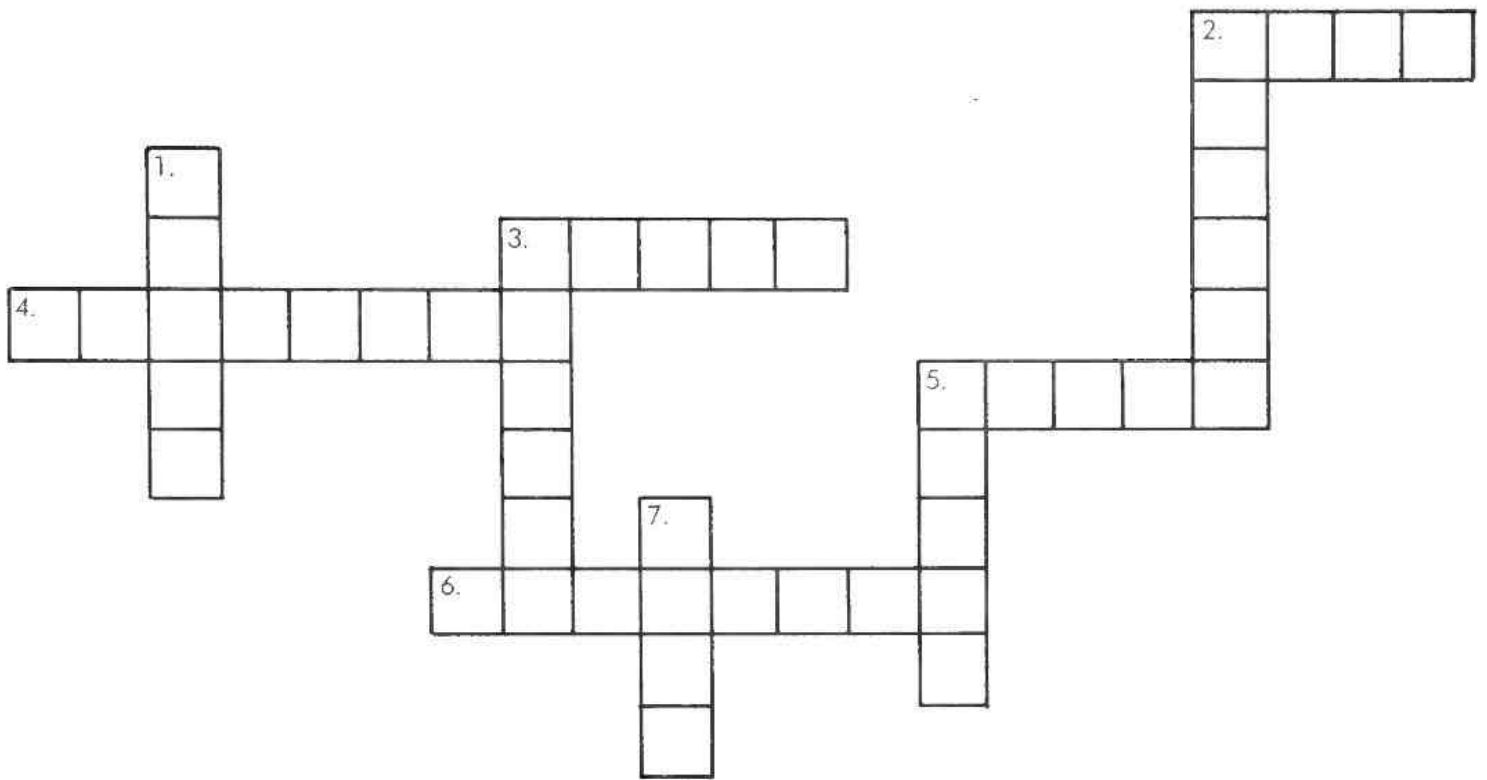

Do you know your turtle trivia? Fill in the missing words. Then write each word in its correct place in the puzzle.

1. Splinter is a _____ master.
2. (across) Shredder wears a metal _____ covering his face.
2. (down) The turtles call Splinter _____.
3. (across) _____ is the turtles' favorite food.
3. (down) The color of Donatello's bandana is _____.
4. Two sticks joined together by a chain are called a _____.
5. (across) The turtles live in the _____.
5. (down) Leonardo's weapon is a _____.
6. April is a TV _____.
7. Shredder is the leader of the evil _____ clan.

TURTLE CHASE

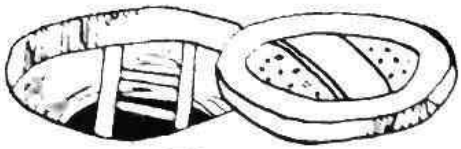

It's a race to the Technodrome for two to four players. Turtles, choose your weapons!

INSTRUCTIONS:

With a grownup's help carefully cut out weapons to use as playing pieces. Then carefully cut out game pages. Tape them together to form a playing board. You'll also need one die—one of a pair of dice. (Or use a coin: flip it to heads, move one space; tails, two spaces.) The first player to reach the Technodrome wins!

Shredder has tied Splinter to the wheel of torture. And there's only one person who can save him — you!

There are at least 10 four-letter words hidden in the wheel. Find them by following one letter to another along one line (but no skipping!) and Splinter will be freed. You can start at any letter you like.

Example: Going from T to A to L to E spells tale.

Everyone is talking at once, but who's talking to whom?
Follow the squiggly lines and find out!

What kind of slime made the turtles grow . . . GROW . . . GROW? Use these clues to fill in the answers in the boxes below. Then read the letters in the darkened boxes to spell out the answer.

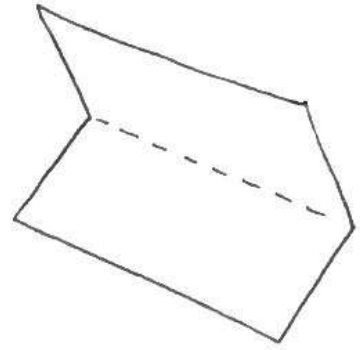

1. Baxter's last name
2. Robots that sniff out rats
3. Shredder's evil clan
4. What a turtle wears over his eyes
5. The color of turtles
6. Mr. Jones's first name
7. The rat master

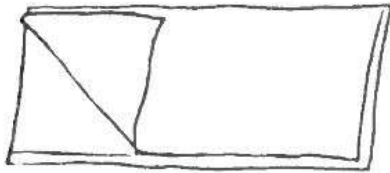

Here's a riddle for you: What is green and flies?
The answer is a turtle glider! And you can make your own — with just one sheet of paper — by following these simple directions.

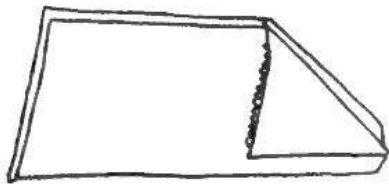

1. Take a sheet of green construction paper (or completely color a white piece of paper) and fold it in half.

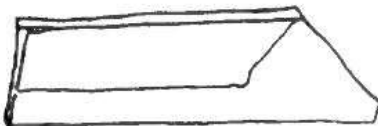

2. Fold back one corner as shown.

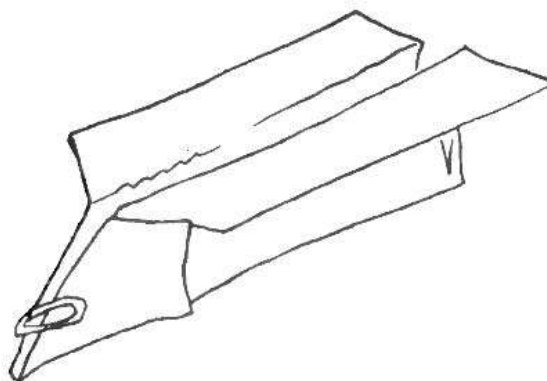

3. Repeat the steps on the other side.

4. Fold top edges down.

5. Place a paper clip on the nose. Ready for takeoff!

There are eight sewer covers pictured here, but only 2 are exactly alike. Can you pick them out?

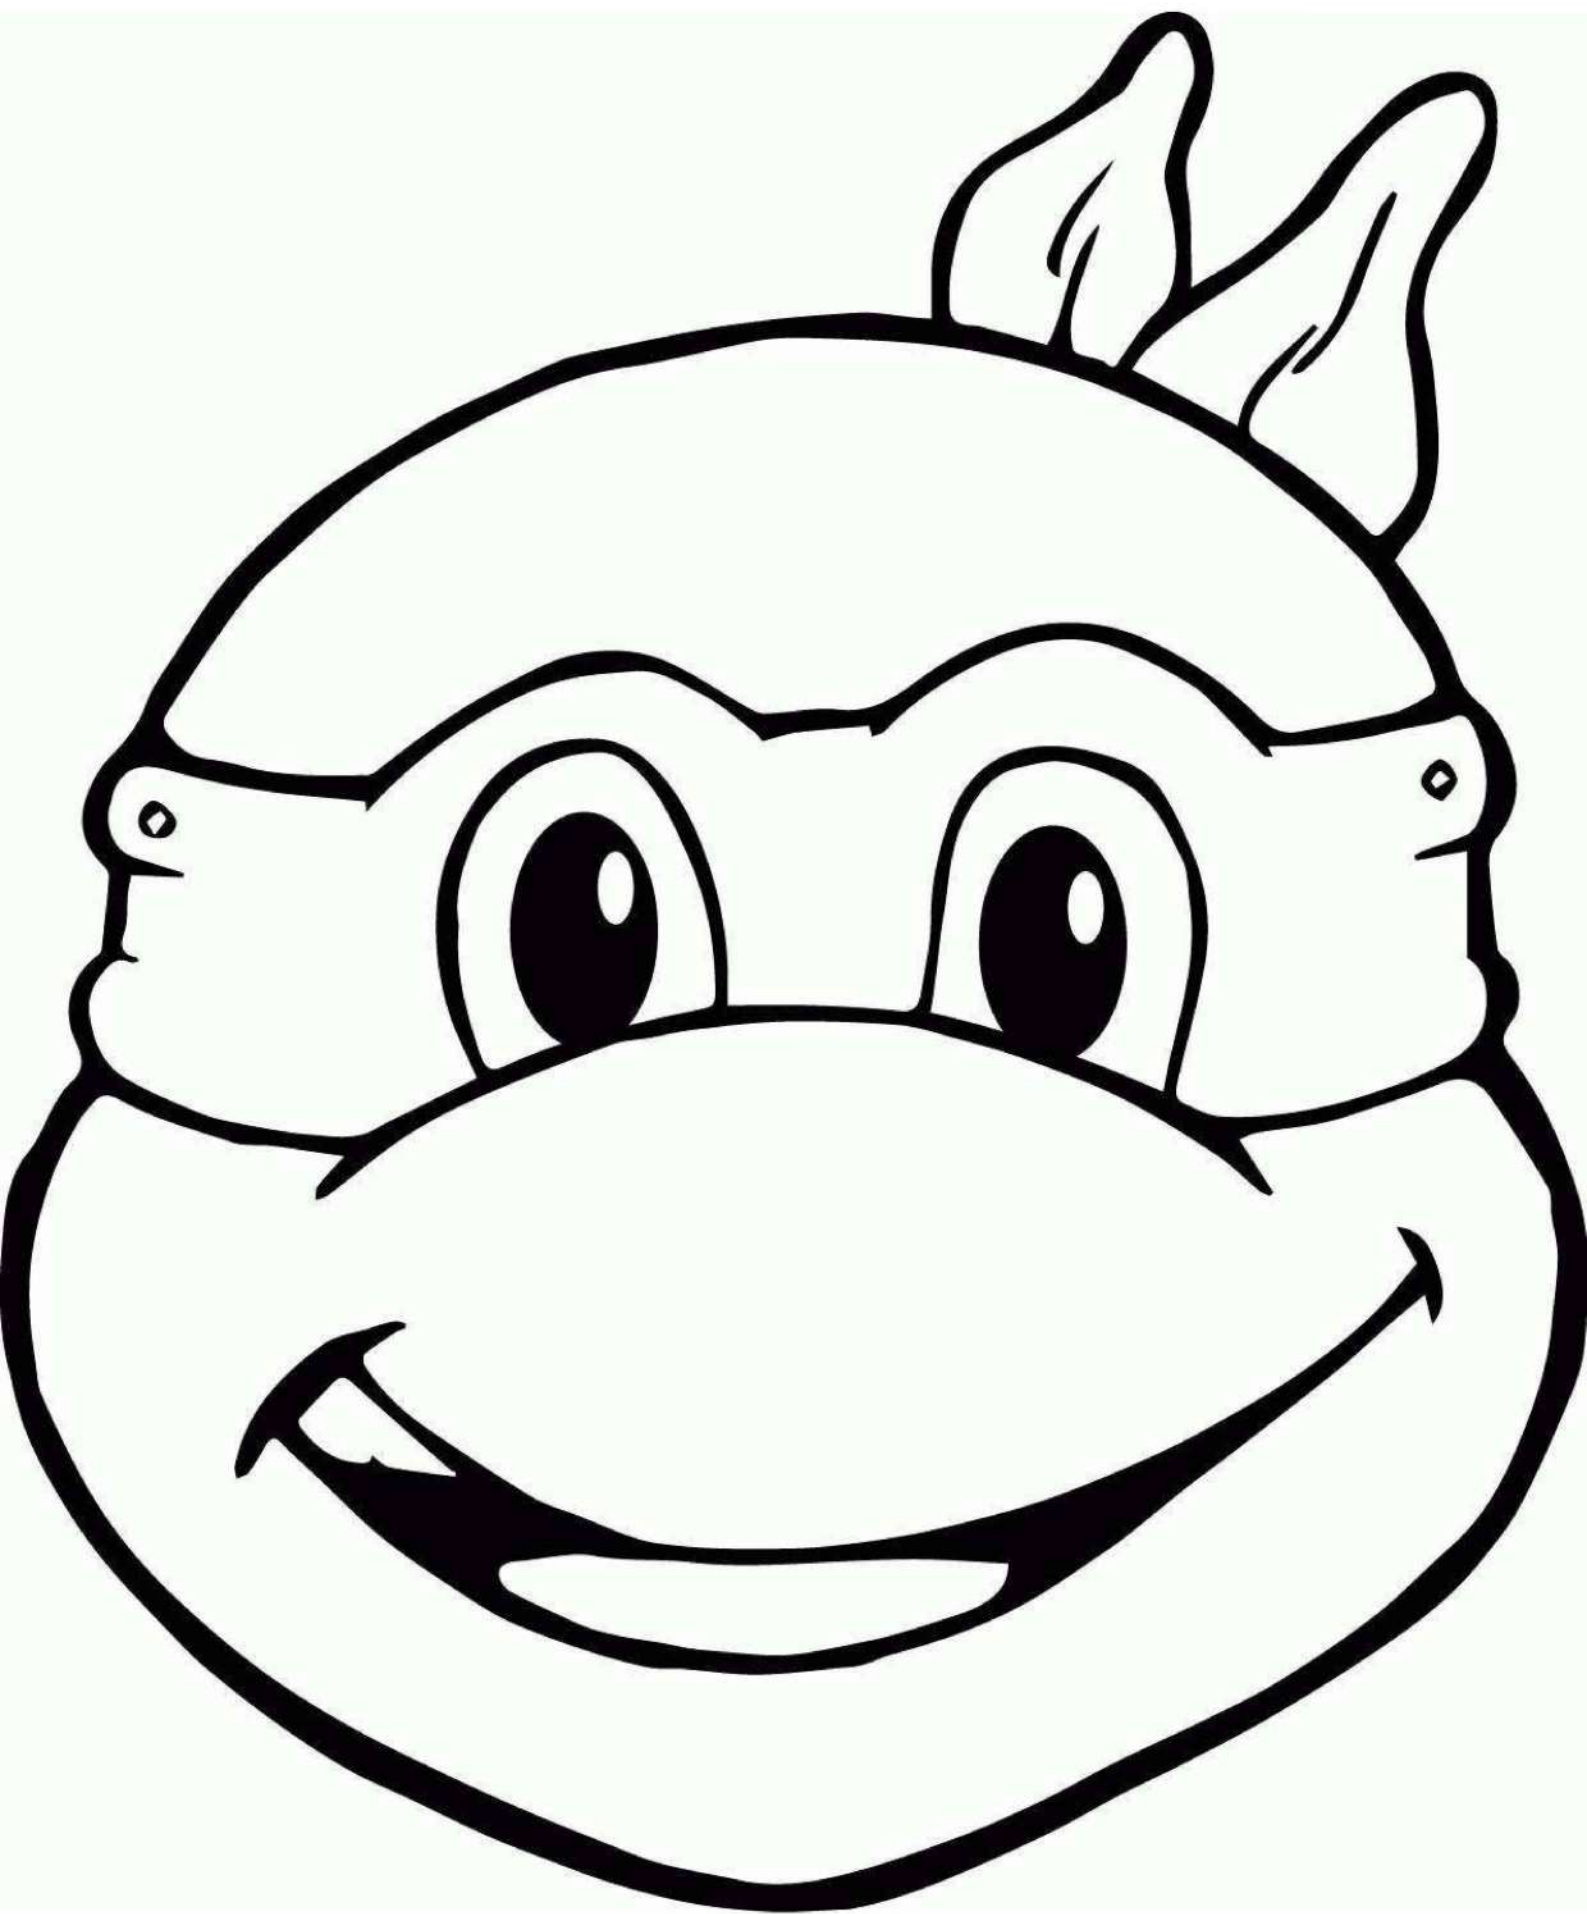

Make a ninja turtle mask! All you need are a pair of scissors and some string.

1. Cut out the mask carefully. (Ask a grownup to help you.) Cut out the eyeholes where indicated.
2. Carefully cut around the nose on the dotted lines.
3. With the point of the scissors, punch a small hole on each side of the mask where indicated.
4. Cut two pieces of string, each approximately six inches long. Knot each piece at one end.
5. Pass the string through the side holes of the mask. Then tie the ends together at the back of your head to hold the mask on.
